# PROPOSAL SUGGESTIONS

To inspire you, we have a few proposal ideas designed to appeal to romantics, explorers and nature lovers at heart. Or tell us your own idea, and we will move islands to make it happen.

## X marks my heart

Add an element of play to your proposal with a treasure hunt. One by one, the clues will bring you closer to your final destination: a romantic spot to pop the question.

## Message in a bottle

Appeal to your partner's sense of adventure with a castaway picnic on a secluded beach. The moment when a bottle washes ashore with a "Marry Me" message inside will be one you both will cherish forever.

## Deeper love

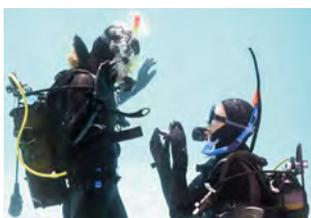

If you and your partner are water lovers, Bawah's crystal clear lagoons are an extraordinary opportunity for an underwater proposal beneath the ocean blue.

## By the flicker of candlelight

Traditionalists will enjoy a romantic sunset followed by a candlelit dinner with exquisite cuisine and a bottle of bubbly to toast the occasion.

## Two become one

The symbolic nature of proposing on our jetty, where two paths converge into one and the stunning blue waters of the sea unfold behind you, will appeal to those with a poetic heart. After your love says "Yes!" we will deliver a bottle of bubbly for you to celebrate your joy together.

## Dawn of a new day

Wake up and get your hearts beating with a hike through our untouched forests. Once you reach the top of Bawah Island you'll be rewarded with stunning views of the sunrise over the lagoons and the sea. As the new day dawns, with the world at your feet, you can drop to one knee and propose.

## Wings of love

Those looking for a bold gesture will appreciate the drama of making your final approach to Bawah Reserve in our private seaplane with the words Will You Marry Me? written out in the sand below.
